This policy is reviewed and updated annually to ensure that food and drink in the examination room at Gordano School is managed in accordance with current requirements and regulations.

References in this policy to ICE refer to the JCQ publication **Instructions for conducting examinations**.

## **Purpose of the policy**

This policy confirms that Gordano School reserves the right to exercise discretion whether to allow food and drink in the examination room, and confirms:

- the correct procedures are followed regarding food and drink in the examination room
- appropriate arrangements are in place for the management of food and drink in the examination room

## **1. Food and drink in the examination room**

- Food and drink is allowed in the examination room at the discretion of the head of centre (ICE 18.2)
- Any food and drink brought into the examination room whether by the candidate or the centre must be free from packaging and all labels are removed from drink containers (ICE 18.2)
- To enable invigilators to check these items quickly and efficiently:
  - food brought into the examination room by the candidate must be free of packaging and in a transparent container
  - drink bottles must be transparent with all labels removed which would include transparent, reusable plastic bottles (ICE 18.2)

The following arrangements are applied at Gordano School:

Clear transparent drink bottles that meet the requirements above are allowed into the exam room. Candidates are only able to take food into the examination room if it is part of their access arrangement i.e. diabetes. Any such items must follow the requirements as detailed above.
