

Geography induction summer homework - Human Rights

1. Read the article on 'Modern Slavery An issue of global governance'. Research anything in this that you don't understand.
2. Write a definition of modern slavery.
3. Below are the countries with the highest proportions of their populations in modern slavery. Chose one of the top 5 countries and research modern slavery there - present this information in any way you choose. You must include:
 - a. A bit of background about your chosen country - be creative in the information you choose
 - b. A few paragraphs (half a page) to explain why modern slavery exists in your chosen country
 - c. A clip, max 5 mins which informs us about modern slavery in your chosen country (you tube - this could be a longer clip but choose 5 minutes to show)
 - d. What is being done to combat modern slavery in your chosen country
 - e. A paragraph (a third of a page) to explain what your view is on modern slavery in your chosen country

Rank	Country	Estimated per cent of population in slavery	Estimated number in slavery	Population
1	North Korea	4.373	1,100,000	25,155,000
2	Uzbekistan	3.973	1,236,600	31,125,000
3	Cambodia	1.648	256,800	15,578,000
4	India	1.400	18,354,700	1,311,051,000
5	Qatar	1.356	30,300	2,235,000
6	Pakistan	1.130	2,134,900	188,925,000
6	Democratic Republic of the Congo (DRC)	1.130	873,100	77,267,000
