

Year 12 Parent Information Evening 2026

Congratulations to the year 12s for their GCSE results and welcome to the Sixth Form!

Belonging... To the Sixth Form *and the wider Gordano community*

Students who feel they belong are more motivated to learn and more likely to achieve highly

Belonging supports academic, social and emotional development

Belonging... To the Sixth Form *and the wider Gordano community*

Students who feel they belong are more motivated to learn and more likely to achieve highly

Belonging supports academic, social and emotional development

What our Sixth Form students say belonging means to them

Belonging is feeling fulfilled and having a place you feel comfortable to be yourself in

Belonging is feeling safe and welcome, knowing that you can be yourself

Belonging occurs when you are inherently valued, heard, and accepted for exactly who you are.

Belonging is friendship and acceptance

Belonging is feeling like you have a community that comfortably you can be a part of, that actively look out for you and include you, and that you can be proud to be represented in

EXPECTATIONS OF SIXTH FORM STUDENTS

Joining the Sixth Form is a voluntary act by students, and we are delighted that you have chosen to join Gordano Sixth Form. We aim to treat students as young adults wherever possible and offer a greater range of privileges than pupils in Years 7-11. These include:

- Use of a dedicated Sixth Form Common Room, Independent Study Centres, for the sole use of Sixth Form students
- The right to leave the school grounds at break and lunchtime
- A less formal dress code than lower school
- Independent study time within the school day
- Home study arrangements for Year 13 students
- A host of opportunities for involvement as senior students in leadership roles, as well as in charity and social events

By joining the Sixth Form and becoming senior students at the school, students also accept a greater responsibility than pupils in Year 7-11; this responsibility extends both to their own learning and to the ability of teachers and other students to focus most effectively on their tasks.

Appearance

There is no uniform requirement for Sixth Form students, however, as we are a Sixth Form within a school, we do have a dress code to set an example to the lower school.

We want our students to have freedom of expression but do **not** expect:

- any extremes of hair colour (any colour transcending the extremes of blonde, auburn, brown or brunette)
- facial body piercings (lip and brow rings need to be removed in school as do extensive ear piercings – one small nose piercing is allowed)
- clothing that causes offence to others (by wording, logos, images or by being too revealing)
- beach wear – board shorts, short shorts, flip flops/beach sandals
- hats to be worn indoors
- clothing considered by staff to be a health and safety risk
- coats to be worn in lessons (unless by the permission of a teacher)
