

1st November 2023

Dear students, parents, carers

As we approach the November 2023 Maths and English resit exams, it is important that you are aware of all of the information available to you for the exam season.

Students will have already received their exam timetable detailing timings / seating. Please make sure you have checked these and arrive promptly.

Students who are studying at Gordano school can go straight to the exam venue arriving 15 minutes before. Private candidates need to arrive 20 minutes before the scheduled examination start time at the school main reception.

Prior to the exams starting, it is important you refer to our Exam Centre on the Gordano School website so you understand all of the information / resources available to you. The link to the page is here: [Gordano School - Exam Centre](#)

In particular I would like to draw your attention to the following sections:

- November GCSE Resits - Results day - Thursday 11th January 2024

The nominated person must bring in photographic ID as proof of identity.
