COUNTY LINES

WEBINAR SESSION

For Parents & Carers

Our gang and county lines parents' session consists of speakers with lived experience within the criminal justice system to unpack and explore the realities and consequences of county lines, gang involvement, and serious youth violence.

Perspectives from previous perpetrators and runners/ transporters, combined with relevant case studies, aid audiences in gaining an authentic and credible understanding of this complex and cross cutting issue.

The session will help parents and carers to identify the signs and triggers that a child or young person might be involved in county lines and gain an understanding of how to appropriately respond to such indicators.

For more information and to secure your place, please email vrp@n-somerset.gov.uk specifying which date you would like to attend.
