Dear Parent/Guardian

Year 8 Guided Choices Information Evening

As we embark on the Year 8 Guided Choices process to support students in preparing for Year 9 and beyond, we would like to invite you and your child to a Guidance evening, on Thursday 14th March. The aim of that evening will be to:

- explain the Key Stage 4 Curriculum including core programmes of study and aspects which are optional
- talk you and your children through the Guided Choices process in terms of decision making and timelines
- equip you with a copy of the Guided Choices booklet

You will also have the opportunity to visit subject areas across the school, to find out more about courses running and to speak to teachers and students. We are opening up all faculty areas so that alongside gathering information, your children can show you where they learn.

Details of the evening are as follows:

- School is open from 4pm - 7pm for students to take parents/carers to subject areas
- There will be a thirty-minute Guided Choices talk in the hall repeated three times at 5pm, 6pm and 7pm. Please limit your booking to 3 tickets, this should include your child, and if you are booking for the 7pm talk you will need to visit the subject areas before this as they will close by 7.30pm.

Please book your tickets [here](#) by Friday 8th March.

We look forward to seeing you then.

Yours sincerely
