Gordano School 70th Anniversary Logo Design Competition

Gordano 70 is a big celebration of **70 years of Gordano School** and we are inviting our students, along with children in the community, to design a special logo to mark the occasion. The winning design will become the official Gordano 70 logo, and we will do our best to include all suitable entries in a beautiful creative project to be revealed on the school site. We would love all young people to take part and create something that will become part of Gordano School's history and leave a legacy for the future.

Need Some Ideas? Your design could include:

- The Gordano Griffin
- Things that represent Gordano School
- Symbols of learning, friendship, creativity, success or togetherness
- Images that show Gordano's past, present and future
- Something inspired by Portishead or the local community
- The school values: Dream Big, Do Your Best, Give Back
- A celebration theme, such as bunting, stars, or confetti
- Your own unique ideas and artistic style

Remember:

Keep your design clear and easy to recognise. Think about how it might look on posters, badges, banners, clothing and social media. Use colours, shapes and images that help tell the story of 70 years of Gordano. Most importantly, be creative and have fun!
